AsSalaamAlaikum brother hassan,
 What can we?
 You said it all, and all I can add is that the Kufar know that they cannot defeat the Mujahideen (the warriors of Allah). I trust that you are doing your best to make sure that the other brothers & sisters in uniform are reminded that their sole purpose of existance in this duniya is purely to worship our Lord and Master, Allah (SWT).
 May Allah be with you & your brothers and sisters and keep you from all harm.
 Keep up with the Dawah and the psychological warefare.
 WasSalaam,
 From just another slave of Allah at Azzam Publications.....

i am a muslim station onboard a u.s. warship currently operating depolyed to the arabian gulf. it shall be noted before usama's latest video was viewed by massive people all over the world. that psychological anxiety had already set in on america's forces everywhere. all this is due to the martyrdom operation against the uss cole. since then every warship station either on the western or eastern shores of america who come to operate in the 5th fleet op area has tobe given a force protect brief. well during the brief, i attended there was one thing that stuck out like thorns on a rose bush. i do not know who was the originator of this either top brass or an american poitician. well here is his/her statement: "america has Never faced an enemy with no borders, no government, no diplomats,nor a standing army

that pledges allegiance to no state." Allahu Akbar! Allahu Akbar! i give takbirs because i know deep down in my heart that the american enemies that this person has discribe is the Mujahideen Feesabilillah. these brave men are the true champions and soldiers of Allah in this dunya. i understand fully that they are the men who have brong honor to this weak ummah in the lands of jihad afghanistan,bosnia,chechnya, etc. Alhamdulillah! With their only mission in life to make Allah's name and laws supreme all over this world. i want to let it be known that i have been in the middle east for almost a total of 3 months. for these 3 months you can truly see the effects of this psychological warfare taking a toll on junior and high ranking officers. but after the latest video supporting palestine. the top brass and american officials wererunning around like headless chickens very afraid, wondering if there is a possible threat. but this time the american population got wind of this and they came to know just how afraid the u.s. government is. thomas l. friedman wrote an article in the new york times. called:

"what it takes to make the americans to turn tail, run." thisarticle was distributed on my ship and most of the sailors said it was so true about the american government, and they feel like they are working for a bunch of scary pussies.....a Brother serving a Kuffar nation..

Astaghfir'Allah....Hassan
